casualty and notify the nearest CP giving the exact map reference of the incident and the extent of the injury. Bonus time will be allowed as necessary at the discretion of the Hike Officials.

12. At 13:00 on the Sunday, the Hike is officially closed and all responsibilities and services offered by the organisers, e.g. refreshments, use of school buildings and facilities, first aid and rescue services, meals, tallies and certificates will cease. When it becomes obvious that it would be impossible for a Hiker to complete the Hike by this time they will be asked to retire at a convenient (roadside) checkpoint, from where transport will be provided to return them to Hike HQ.

13. No refunds will be give to people who withdraw, of their own accord, prior to the event.

14. Teams must be **pre-declared** (teams can be created or amended online prior to the last Monday before Hike weekend); teams consist of three to five members. No substitutions on the day allowed. Team members need not finish together, finish times will be aggregated

15. Hikers must retire if:

- a. They lose their personal tally.
- b. If, in the opinion of any Hike Official, any Hiker is unfit to continue or may endanger the safety of others if allowed to proceed.

16. Hikers will be disqualified at the Committee's discretion for:

- a. Not passing through the CPs in the correct order.
- b. Receiving assistance from any spectator.
- c. Failing to maintain groups, once formed.

17. The Organisers reserve the right to amend any rule where necessary. You will be notified of any change. The Organisers' decisions are final and no responsibility can be accepted for any accident, injury or mishap, however caused during the event.
